All Beef Sale animals are required to pay an entry fee in the show. Sale animals entered but not showing in the open show will be released after each sale is completed. Sale cattle will not be permitted in the tie-outs unless special permission is given by the management. Other cattle will not be permitted in the tie-outs until after 6:00 p.m. Failure to have cattle on display in the buildings will result in forfeiture of premiums won and further disciplinary action by the Executive Committee, such as refusing to accept future entries.

Feed and Bedding: You may bring your own feed and bedding for your entries only or obtain it from our supplier. No other vendors of feed or bedding will be permitted on the grounds. Large square bales are permitted for first bedding, but thereafter, bedding must be stored in a trailer. No Kentucky Exposition Center (KEC) employees are permitted to move large bales. A one-day supply may be brought in each day from a trailer.

All bulk orders of feed or any type of bulk bedding must be coordinated and made in advance with the official supplier for the NAILE.

Dumping of truckloads of sand, sawdust, shavings, or tan bark will not be permitted in bulk in the barn. Baled shavings or wood chips and straw will be permitted and will be available from the official feed supplier or can be brought from home for your entries only.

Storage of large quantities of feed and bedding in the building will not be permitted. The definition of “large” quantities shall be at the discretion of NAILE or KEC employees. Extra feed and bedding must be kept in your trucks and trailers in the assigned parking area.

Show management is NOT required or expected to provide exhibitors stall space prior to dates and times listed in Premium Book.

Signs are NOT allowed to be placed on any walls or doors.
NAILE GENERAL RULES AND REGULATIONS

Exhibitors are requested to familiarize themselves with all the rules of this show applicable to their exhibits.

Violation of Rules

Rule 1. All entries for exhibits of any kind or character in this animal exhibit are subject to these regulations, and any violation will subject exhibitors to any penalties the Executive Committee may order.

Rule 2. The Exposition reserves to the General Manager and the Executive Committee the final and absolute right to interpret these rules and regulations and arbitrarily settle and determine all matters, questions, or differences in regard thereto, or otherwise arising out of, or incident to, the show.

Ownership of Animals

Rule 3. All breeding animals in the purebred classes must have been owned by the exhibitor as of the entry deadline of October 1. All Junior Show animals are required to be owned by and shown by the individual in whose name it is entered. (See the specific show for other rules and required dates.)

Accepting Entries

Rule 4. The show management reserves the right to accept or reject entirely, partially, or conditionally any entry or application. The management also reserves the right to personally, or appoint a committee to, inspect all entries after they have arrived, and dismiss any entries that would discredit the Exposition.

Erroneous Entries

Rule 5. Animals that have been erroneously entered may be transferred to their proper class prior to judging, upon application to the General Manager, who will appoint a committee to determine the case. If such classes have already been judged, however, they shall not be reopened.

Catalog Numbers

Rule 6. Each entry will be assigned a separate number in the official catalog of the Exposition. This numbered card must be displayed in the harness worn by the attendant when the animal is in the judging ring.

Assignment of Pens and Stalls

Rule 7. The assignment of all the spaces will be made by the superintendent of the breed of the show.

Care of Animals

Rule 8. The exhibitors themselves will be responsible for the delivery of their animals to the appropriate department at the designated times. Exhibitors will be required to attend to their animals while on exhibition and to have them presented to the judges when called. Any exhibitor who fails to present his or her animals in the ring when the class is called for to be weighed will be barred from the competition.

Appearance of Exhibits

Rule 9. The stalls, pens, and exhibition places must be cleaned before 8:00 a.m. each day and all refuse matter disposed of as the superintendent may direct. Exhibitors are required to be neatly dressed when exhibiting stock in the show ring.

Removal of Exhibits

Rule 10. If you exhibit at this Exposition you will be expected to keep your livestock on the grounds until the published release date of your breed. All animals (except those shown) consigned to the various sales can be released immediately after the sale by obtaining a release slip from the General Superintendent's Office. Anyone removing livestock from the grounds without show management approval is subject to forfeiture of all premium money. Repeat violators will be subject to further action by the Executive Committee.
Releases
Rule 11. No livestock (for exhibit or sale) will be released until the exhibitor presents a paid feed bill and veterinarian bill, then obtains a release form from the Livestock Superintendent’s Office. Fraudulent or unauthorized releases will not be tolerated, and the penalty may be a permanent ban by the Executive Committee on all exhibitors involved.

Refusal to Parade in Shows
Rule 12. Livestock parades are a great educational feature of this show. For any cause not meeting with the approval of the management, exhibitors refusing to lead out their animals for parade or for competition in the show ring when called by superintendents in charge, will not only forfeit all prizes previously won but may be barred from further participation in the show.

Conduct
Rule 13. False representation, interference, or discourteous conduct by an exhibitor will be dealt with by the Executive Committee according to the equities of the case.

Substitutions
Rule 14. Substitutions will be accepted for animals within class only. Substitutions can be made only in the name of the original exhibitor/recorded owner as listed in the entry catalog. Breed shows without defined classes can substitute only an animal of the same sex with a birth date within 60 days of the entry being substituted for.

Judges
Judges are requested to be familiar with all the rules and regulations of this Exposition and to especially know the rules bearing on the classes they will be judging.

Unworthy Exhibits
Rule 15. The judges will not award prizes to any unworthy exhibit. Animals must be shown in such a manner as the judges require, and if the exhibitors refuse to submit to the requirements of the judges, their animals will be dismissed.

Time of Judging
Rule 16. All animals must be exhibited before the judge in the show ring, with catalog number attached, and cannot be awarded a prize while still in its stall or pen.

Decision of the Judges Final
Rule 17. The decision of the judges shall be final in all classes except where mistake, fraud, misrepresentation, or collusion not discovered at the time of the award is proven. In such case, the General Manager, or such referee or committee as may be appointed, may make decisions, or at its discretion the cases may be appealed to the Executive Committee from whose decisions there can be no appeal.

Awarding of Premiums
Rule 18. Only two premiums per recorded owner can be awarded in any one class.

Awarding of Champion Prizes
Rule 19. In all Championship classes, both a Champion and a Reserve Champion shall be selected. Only first place animals will be allowed to compete for championships. Second place winners in class from which the champion was selected are eligible to compete for Reserve Champion.

Premiums
Colored Ribbons
Rule 20. Premiums will be designated by ribbons: Blue, first; Red, second; White, third; Pink, fourth; Yellow, fifth; Dark Green, sixth; Light Green, seventh; Tan, eighth; Brown, ninth; Gray, tenth and over; Royal Purple, Champions; Lavender, Reserve Champions.
Paying Awards

Rule 21. Premiums will be forwarded to the exhibitors as they may direct, as soon after the close of the Exposition as they can properly be processed. Cash premiums are payable by bank check. All premiums whatsoever not claimed by November 1 of the following year shall be deemed forfeited to the management or donors.

Special Premiums

Rule 22. All special premiums will be awarded by the judge after judging the regular awards. The Exposition is not responsible for the payment of special premiums, but they are all offered in good faith and should be paid promptly.

Protests

Rule 23. All protests must be in writing and accompanied by a deposit of $500, which will be forfeited if protest is not sustained. Such protests must be delivered to the General Manager within six hours after the occasion of such protest, or if age is brought into question, one day prior to the day on which the animals are to be judged. Protests will be considered by the Executive Committee as quickly as possible, and their decision in the matter shall be final.

Rule 24. Exhibitors of animals at livestock shows shall at all times deport themselves with honesty and good sportsmanship. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. This code applies to junior as well as open class exhibitors who compete in structured classes of competition. This code applies to all livestock offered in any event at a livestock show.

Required Performance Data

Rule 25. In order to emphasize the use of, as well as the need for, performance data in beef cattle production, the following procedure will be maintained for all breed shows and the Junior Heifer Show. All animals will be weighed prior to entering the show ring. Each class will be called for separately to be weighed approximately one class prior to entering show ring. The total weight, as well as the weight per day of age, will be recorded on a card and placed in the exhibitor’s harness. No bull can enter the show ring for competition without the weight card. The weighing of females will be at the discretion of each breed association. All junior show heifers will be weighed.

ALL ANIMALS WILL ENTER THE SHOW RING ACCORDING TO AGE AS DIRECTED BY THE BREED SUPERINTENDENT.

Nurse Cows

Rule 26. Nurse cows are not permitted at the NAILE. Only cows nursing their natural calves that are entered in the show in the Cow/Calf Class, Senior Yearling, or Junior Yearling Heifer Classes are permitted.

Miscellaneous Rules and Regulations

Rule 27. It is mandatory that all exhibitors cooperate with Judging Contests officials in providing animals for use in the various judging contests.

Rule 28. All group entries are to be made at the show when entries are checked.

Rule 29. In the Beef Department, no more than one fan (overhead preferred) per three head of cattle will be allowed. No fans will be allowed in the aisles. Also, no portable generators are allowed in the building.

Rule 30. Breed registration: An animal is eligible to enter or compete in the Exposition in only one breed classification regardless if the animal is registered with one or more breed associations or registries. Percentage animals with more than one set of registration papers must be exhibited as entered on the original entry form. Percentage animals must be exhibited in the same Open and Junior Breed Show. No switching between breeds will be allowed. Furthermore, the animal must be registered in the recognized U.S. registry for their breed classification or, if registered in country of origin outside the U.S., the animal must be eligible for registry in the recognized U.S. registry. No changes will be permitted after a breed is designated.

Rule 31. Dogs will not be permitted on the grounds of the Kentucky Exposition Center during the course of the North American International Livestock Exposition, except those under leash control of
the owner. Any dog running free will be impounded and removed from the grounds.

Rule 32. Any publications or lists prepared by the NAILE management are to be informative only and are **not** to be considered as legal documents of title or ownership.

Rule 33. If any damage, loss, or injury to person or property shall be caused by reason of any neglect or willful act of any person, firm, or corporation, or their agents, representatives, servants, or employees having license or privilege to exhibit, or occupy any space on the North American International Livestock Exposition grounds, the North American International Livestock Exposition shall, in no manner, be responsible therefore, and in case it be subjected to any expense or liability, all persons causing same, or liable therefore, shall indemnify the NORTH AMERICAN INTERNATIONAL LIVESTOCK EXPOSITION.

Rule 34. All transit animals will require identification, health papers, and bill of sale to be on the grounds and must obtain a release from the Division of Animal Health before leaving grounds. 840 EID will be required for all Dairy, Beef, and Swine.

Rule 35. Aerosol spray cans are banned from the show ring and make-up ring.

Rule 36. Health papers will be checked on all livestock before they enter the buildings. Please have health papers with your animals and watch for signage with instructions.
NATIONAL CODE OF SHOW RING ETHICS

All youth leaders working with junior exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. Their moral values must be so certain and positive that those younger and more pliable will be influenced by their fine example. Owners, exhibitors, fitters, trainers, and absolutely responsible persons who violate the code of ethics will forfeit premiums, awards, and auction proceeds and shall be prohibited from future exhibition in accordance with the rules adopted by the North American International Livestock Exposition. Exhibitors who violate this code of ethics demean the integrity of all livestock exhibitors and should be prohibited from competition at all livestock shows in the United States and Canada.

The following is a list of guidelines for all exhibitors and all livestock in competitive events:

1. All exhibitors must present, upon request of fair and livestock show officials, proof of ownership, length of ownership, and age of all animals entered. Misrepresentation of ownership, age, or any facts relating thereto is prohibited.

2. Owners, exhibitors, fitters, trainers, or absolutely responsible persons shall provide animal health certificates from licensed veterinarians upon request by fair or livestock show officials.

3. Junior exhibitors are expected to care for and groom their animals while at fairs or livestock shows.

4. Animals shall be presented to show events where they will enter the food chain, free of violative drug residues. The act of entering an animal in a livestock show is the giving of consent by the owner, exhibitor, fitter, trainer, and/or absolutely responsible person for show management to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. Animals not entered in an event that culminates with the animal entering the food chain shall not be administered drugs other than in accordance with applicable federal, state, and provincial statutes, regulations, and rules. Livestock shall not be exhibited if the drugs administered in accordance with federal, state, and provincial statutes, regulations, and rules affect the animal’s performance or appearance at the event.

If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved, and all procedures of said collection and preservation, transfer to the laboratory, and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the owner, exhibitor, fitter, trainer, or absolutely responsible person to prove otherwise.

At any time after an animal arrives on the fair or livestock show premises, all treatments involving the use of drugs and/or medications for the sole purpose of protecting the health of the animal shall be administered by a licensed veterinarian.

5. Any surgical procedure or injection of any foreign substance or drug, or the external application of any substance (irritant, counterirritant, or similar substance) that could affect the animal’s performance or alter its natural contour, conformation, or appearance, except external applications of substances to the hoofs or horns of animals that affect appearance only and except for surgical procedures performed by a duly licensed veterinarian for the sole purpose of protecting the health of the animal, is prohibited.

6. The use of showing and/or handling practices or devices, such as striking animals to cause swelling, using electrical contrivance, or other similar practices, is not acceptable and is prohibited.

7. Direct criticism of or interference with the judge, fair, or livestock show management, other exhibitors, breed representatives, or show officials before, during, or after the competitive event
is prohibited. In the furtherance of their official duty, all judges, fair, and livestock show management, or other show officials, shall be treated with courtesy, cooperation, and respect, and no person shall direct abusive or threatening conduct toward them.

8. No owner, exhibitor, fitter, trainer, or absolutely responsible person shall conspire with another person or persons to intentionally violate this code of ethics or knowingly contribute or cooperate with another person or persons either by affirmative action or inaction to violate this code of ethics. Violation of this rule shall subject such individual to disciplinary action.

9. The application of this code of ethics provides for absolute responsibility for an animal’s condition by an owner, exhibitor, fitter, trainer, or participant whether or not he or she was actually instrumental in or had actual knowledge of the treatment of the animal in contravention of this code of ethics.

10. The act of entering an animal is the giving of consent by the owner, exhibitor, fitter, trainer, or absolutely responsible person to have disciplinary action taken by the fair or livestock show for violation of this Code of Show Ring Ethics and any other rules of competition of the fair or livestock show without recourse against the fair or livestock show. The act of entering an animal is the giving of consent that any proceedings or disciplinary action taken by the fair or livestock show may be published with the name of the violator or violators in any publication of the International Association of Fairs and Expositions, including Fairs and Expos magazine and any special notices to members.

11. The act of entering an animal in a fair or livestock show is the giving of verification by the owner, exhibitor, fitter, trainer, or absolutely responsible person that he or she has read the IAFE National Code of Show Ring Ethics and understands the consequences of and penalties provided for actions prohibited by the code. It is further a consent that any action that contravenes these rules and is also in violation of federal, state, or provincial statutes, regulations, or rules may be released to appropriate law enforcement authorities with jurisdiction over such infractions.

Open Class Participation Statement, American Angus Association

The American Angus Association®, 3201 Frederick Avenue, St. Joseph, Mo., will participate in premiums offered for open class Angus breeding cattle classes according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

A minimum of 50 head must be shown in the open class division to receive American Angus Association premium participation for the following year.

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association’s portion of premiums. The Association does not pay on championship or any group classes, i.e., get-of-sire, junior get-of-sire, or breeder six-head.

Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree lookup. Any animal, upon check-in, that does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks, or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.

Any female shown with a calf at side: The calf must be the cow’s most recent natural calf, and the calf must be registered by show day and have proof of registration at check-in.

Only one person at a time shall lead an animal into the show ring.

Exhibitors who participate in shows that accept premium monies contributed by the American Angus Association are subject to the Association Rules as found in the Breeders Reference Guide of the Association. These rules are found in Part 2; Association Rules. The rules relating directly with the exhibition of Angus cattle are Part 2: Association Rules; Rule 800 Series; including Rule 800 – 810. These rules can be found at www.angus.org.
Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the use of chin straps, covering of white skin, false tail heads (or use of any false hair), with the exception of false tail switches. The use of graphite, powders, hemp, or other similar substances used externally is also prohibited. Other prohibited products include those used internally such as steroids, illegal or unlicensed pharmaceuticals, or artificial filling. Any animal found to be in violation will be barred from showing.

At any show for which the American Angus Association appropriates funds toward the payment of premiums, no exhibitors, individuals assisting exhibitors, or member owners at such show shall be allowed to use any coloring agents, on any animal exhibited. The Association may adopt and implement various tests designed to monitor this prohibition, including but not limited to a “white towel” or “white glove” test.

No aerosol cans or other pressurized containers will be allowed in designated line-up areas.

All animals exhibited are subject to DNA marker or blood type tests to verify accuracy of parentage as covered under the Association Rules and for other testing as required by the individual show. Authorized representatives of the Association have the authority to enforce the rules set forth herein as well as in the Association Rules, including the barring of a registered animal from a livestock show at which it is to be shown, if there are reasonable grounds to believe a violation has occurred.

**American Angus Association Policy**

5. Altering the conformation or natural appearance of the animal is prohibited. This includes covering of white skin and the use of artificial tailheads, switches, or any use of false hair. Other prohibited products include illegal or unlicensed pharmaceuticals or artificial filling. Any animal found in violation will be barred from showing.

6. Any winning animals in any and all divisions may be subject to DNA Parentage Verification (sire and dam only). If discrepancies in parentage are found, the animal may be subject to forfeit its winning position and prize money/premiums.

2. All animals must be registered with the ABHA.

3. Each entry must be owned solely by the junior exhibitor(s) and in his/her recorded ownership before June 1, 2021. Siblings may jointly own animals, provided both are members of the ABHJA and meet ABHJA age requirements. No animal is eligible to compete if recorded in joint ownership (other than the sibling rule), and no joint ownership with farm name or family name.

4. Horned, de-horned, or scurred animals are eligible to show.

5. **Online entry fee is $40 per entry until October 1, 2021. Mail in entry fee is $50 and must be postmarked by October 1, 2021.** A bedding fee will be due and payable in addition to entry fee. Mail entries to the Junior Nationals, American Black Hereford Association, P.O. Box 2607, Bowling Green, KY 42102. **No late entries will be accepted.**

6. Final Entry and Ownership Deadline is October 1, 2021. All animals must be registered and transferred prior to the October 1, 2021 entry and ownership deadline date.

   No late transfers or entries will be accepted. Entries with “pending” listed as the registration number will not be accepted, and entry will be refused. This includes calves showing on the sides of cows in the cow/calf pair show. Entry fees are non-refundable. Calves showing as part of a pair can be shown on their own, and a separate entry fee is due.

7. Cattle may begin arriving at 8 a.m. EST on November 17, and **must** be on the grounds and checked in by 4 p.m. EST on November 17, 2021. **NO exceptions.**

8. A hard copy registration certificate must be presented at check-in. Tattoos that are missing, illegible, altered, incorrect, and/or in any other way disagree with the official ABHA records will be justifiable cause for disqualification of entry. Check tattoos well before leaving for the ABHJA.

9. Entries must meet Kentucky health regulations. All animals must have an official health certificate. Refer to Kentucky Health Requirements.

10. Exhibitor must show his/her own animals. Only exhibitors who are in attendance at the ABHJA and are physically unable to show the animals due to illness or injury will be excused. In the case of extenuating circumstances, the family must come to the ABHA board/staff, in which case, the board of directors/staff have sole discretion as to whether the animal may be shown by a substitute showman. Owner may secure another junior member to show his/her animals, if excused, or if exhibitor has more than one entry in the same class. It is recommended that if you have more than one animal being shown in a class you utilize a fellow junior from your own state to assist. No adult may assist exhibitor in showing.

11. Exhibitor must wear a button-down collared shirt, close-toed leather boots, and jeans or dress
slacks in showmanship. The official show shirt must be worn for shows. Entry numbers must be worn on chest/back. Additional show shirts may be purchased.

12. If all requirements are not met, the ABHA Board and staff reserve the right to disqualify any entry.

13. All persons making entries in the show shall agree to abide by all the rules and regulations as outlined and will not hold the American Black Hereford Association or the 2021 American Black Hereford Junior Association Show Committee organizers responsible for accident, loss, or injury to any person, animal, or article.

14. Breeding cattle will not be weighed.

15. **No dogs** will be allowed on the grounds, in the tie outs, in the barns, or in the coliseum.

16. The ABHA reserves the right for all class winners and runners-up to be subject to DNA testing to verify parentage.

17. It is a policy of the ABHJA board of directors that if an animal gets loose in the showing, an exhibitor will be given two chances to regain control of said animal throughout the duration of that particular show. After the third instance, exhibitor and animal will be dismissed from the showing by an ABHA board member or ABHA staff member.

18. It is strongly advised that exhibitors bring generators for backup use.

Show Information

- For entry, arrival, judging, and release Information, see General Beef Department information, pages 8-9
- All exhibitors will be required to wear show harnesses while exhibiting their animals.

Premiums
- Premiums will be determined after the show.

Special Rules
1. All animals to be eligible for an Open Charolais Breeding Class must be purebred and registered with American-International Charolais Association. Only bona fide (original) certificates of registration will be accepted as evidence of registration and ownership; no photocopies.
2. An animal is eligible to enter or compete in an open Charolais breeding class if registered in country of origin outside the U.S. and is eligible for purebred registry in the AICA Herdbook.
3. Animals registered in the AICA Colored Division Registry (QF and QM initialed registration numbers) must meet the parameters of the AICA Color Card.
4. All animals to be eligible may be approved by a sifting committee designated by the AICA. Stall space will not be provided for any Charolais cattle that have not been accepted by the sifting committee.
5. All animals are subject to a medical examination in order to determine age, and each animal will be present in the show ring in its natural conformation without alteration or modification. Use of artificial tailheads is not permitted.
6. Any animal not having a legible tattoo or firebrand number is ineligible and will be barred from showing.
7. Bulls from classes 40, 41, 44, 45, and 46 must have a valid, satisfactory semen test certificate in possession. This certificate is valid for the entire show season.
8. All animals shown in individual classes must be weaned, with the exception of the cow/calf class and calves at the side of females calved after September 1, 2019. Calves must be purebred and registered with the AICA. Females calved after September 1, 2019, must show in individual female classes appropriate to age. Nurse cows are not permitted.
9. All females 20 months and older exhibited at AICA-sanctioned shows must be accompanied by a certificate of pregnancy from a licensed veterinarian or have produced fertile eggs as certified in a written statement by a licensed veterinarian or embryologist or have a calf at side.
10. AICA requires that all animals be shown with a halter and suggests that all bulls be shown with a nose lead.
11. All exhibits of Charolais breeding cattle shall be governed by the AICA by-laws, Article XV, titled Exhibition of Animals. The inspection of exhibit cattle is specified in Article XV, Paragraph C, of the association by-laws, and non-compliance of exhibit inspection is specified in Paragraph D of the same Article XV.
12. Article XV, Paragraph B, Point 2: “Each animal will be presented in its natural conformation and structure without alteration or modification. Alteration or modification shall be defined to include any surgical, chemical, electrical, or other appearance change (including branding or other
circulatory constriction) for cosmetic purpose, save only branding, tattooing, foot trimming, or dehorning. The act of artificially filling animals internally, which would include stomach pumping, drench tubes, or any other method per os (by esophagus) is prohibited. Silicone injection or other injection for cosmetic purpose shall be prohibited. Anabolic steroid use shall likewise be prohibited, and any animal testing positive for anabolic steroid or diuretic use shall be presumed to be altered and modified."

13. The use of a coloring agent, flock, and powder is prohibited. Use of these products will result in the immediate disqualification of a given animal at such show.

14. When circumstances exist and/or allow, AICA reserves the right to split large individual classes after the check-in procedure is complete.

15. Males and females will be weighed in the make-up ring prior to entering the show ring.

16. All other rules of this show apply.

(Sections 0205 and 0207)

Superintendent – Heather Counts, American Chianina Association (ACA) Director of Shows & Activities

Premium

- Premiums will be determined after the show.

Show Information

- For entry, arrival, judging, and release Information, see General Beef Department information, pages 8-9
- **All exhibitors will be required to wear show harnesses while exhibiting their animals.**
- **All premiums will be paid directly to the exhibitors by NAILE. The ACA will pay 50% of the premiums offered. Premium monies will be determined after the show and will be awarded on a graduated basis to the animals exhibited after the show has been concluded.**

Important Notice

All entries must be received on or before October 10 and are non-refundable. ACA’s share of the entry fees will be used for their half of the premium money and other show expenses.

All entries in the ACA National Open Show must be made by active adult or junior members (includes all partial interest owners) in current account standing with the ACA. All entries are subject to the provisions and rules set forth by the Board of Directors of the ACA.

6.25% Rule – Breeding Cattle born on or after January 1, 2014 must have a minimum of 6.25% Chianina blood to participate in ACA nationally sponsored shows such as the NAILE.

ACA registration papers must be presented to the breed superintendent at the show. All animals with a tattoo not corresponding with its ACA registration papers will be ineligible to compete. 2. Jackpot Steer Contest entry fee is $50.00.
3. All animals must be registered in the American Wagyu Association herd book and recorded in the name of the exhibitor 30 days prior to the NAILE registration deadline unless entered in the Steer Competition. Exhibitors must have a registration certificate for each animal available for inspection at the show. There will be six breeding group class shows: Fullblood Black, Fullblood Red, Fullblood Red/Black, Purebred Wagyu, Percentage Female Wagyu, and a Jackpot Steer Class. Breeding group classes will not compete with each other. There will be three divisions of Junior Showmanship: Juniors (ages 8-10), Intermediates (11-14), and Seniors (15-18).
4. Cattle must be entered under the recorded ownership at the time of the show entry deadline. Jointly owned animals must be entered under the multi-ownership (co-owners) in the individual classes.
5. All animals must be properly tattooed and will be inspected at the show. Tattoo must be legible and must match registration papers. Any animal, upon check-in, that does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks, or hot-branded marks) corresponding to the permanent identification on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or ineligible permanent identification mark, animals cannot be retattooed and rechecked at the show.
6. Altering the conformation and/or appearance of an animal for exhibition is prohibited. This includes the covering of white skin, use of false tail heads, or use of any false hair. The use of graphite, powders, paint, hemp, or other similar substances used externally is also prohibited. Animals may not be dyed on the show grounds. Other prohibited products include illegal or unlicensed pharmaceuticals or artificial filling. Any animal found to be in violation will be barred from showing.
7. Winning animals in all divisions may be subject to DNA Parentage Verification (sire and dam only). If the parentage cannot be verified by the lab, the exhibitor will not be awarded the prize money and the animal will forfeit its winning position.
8. All cattle must meet the health requirements set out by the NAILE Show Management. Any deviation will be just cause for immediate disqualification from the show.
9. All bulls over one year of age must show with nose lead. The right to disqualify from the show any animal deemed unmanageable, is reserved by the show committee.
10. All females shown in the cow/calf classes must be shown with a calf at side.
11. Calf at side in the cow/calf classes must be her last natural born calf (not an embryo calf born to another recipient).
12. Any person found guilty of misrepresentation of any kind, including age of animal or not abiding
by the show rules, will be disqualified and denied the privilege of showing.

13. The registered owner/exhibitor must be a member in good standing with the American Wagyu Association.

14. Judges will have no previews of competing cattle or meetings with show exhibitors prior to the show. This is to maintain impartiality for all competitors and judges. Violations of the rule will result in disqualification of judge, competitors, and/or animals.

15. If for any reason an exhibitor or their animal is disqualified, their placing/winnings will go to the exhibitor who placed next behind them.

16. There will be a Junior Showmanship Division. Unlike the confirmation show, it is the handlers who are judged. Points will be awarded for the youth handlers’ ability to display an “animal to its greatest advantage.” Junior Showmanship classes will have the following divisions: Juniors (8–10 years), Intermediates (11–14 years), and Seniors (15–18 years).

17. All exhibitors must be stalled in the area designated for Wagyu Cattle. If an animal is not stalled in the Wagyu designated area, they will be charged a $50.00 recovery fee per animal. This amount will be invoiced to the exhibitor.

Friendly Reminders:

- Registration Papers must be presented at check-in. Electronic copies are now accepted.
- Tattoos matching the registration papers must be present at check-in.
- If your heifer has a tattoo-verified stamp on the registration paper from a previous national show, those will be accepted at the NAILE Junior Show Check-In.
- This is a tentative schedule. We will adhere as closely as possible but situations may arise once check-ins start that could potentially delay the start of the next breed if they are occurring in the same location.
**JUNIOR ANGUS SHOW**

(Section 0202)

**Show Information**
- For entry, arrival, judging, and release Information, see General Beef Department information, pages 8-9

**Special Rules for Angus Class – Participation Statement**

The American Angus Association®, 3201 Frederick Avenue, St. Joseph, Mo., will participate in premiums offered in individual classes for junior Angus heifers, as included in its standard show classifications, according to the premium schedule based on the number of head shown. The premium assistance provided by the American Angus Association for participation in this show is in addition to the premiums offered by the show itself. The premium assistance should not be used to offset show expense and shall be included in the premium payments distributed by the show to the exhibitors.

A minimum of fifteen (15) head must be shown in the junior Angus heifer classes to receive American Angus Association premium participation. The show is not required to have all classes to be eligible for premiums.

Separate classes for bred and owned heifers may be held if the size of the show merits a separate class.

To be eligible for Association premiums, the entries must be recorded in the sole name of the junior exhibitor, and the issue date on the registration certificate must conform to the individual show’s requirements regarding ownership. The Association’s contribution is included in the total premiums listed in each class.

Premiums from the Association are paid only to registered Angus cattle and only if the registration number is a part of the show report provided to the Association. Therefore, all cattle should be registered at the time of entry to make certain they receive the Association's portion of premiums. The Association does not pay on premiums offered in championship classes. An animal may only be counted one time toward the total count for premium participation by the Association.

Exhibitors must have the original registration certificate issued by the American Angus Association available for inspection at the show for each animal or another current proof of ownership issued by the American Angus Association pedigree look up. Any animal, upon check-in, that does not have a legible permanent identification mark (ear tattoo marks, freeze-branded marks, or hot-branded marks) corresponding to the permanent identification mark on the registration certificate, is ineligible to show. Once disqualified due to an incorrect or illegible permanent identification mark, animals cannot be re-identified (tattooed/branded) and rechecked at the show.

Any female shown with a calf at side: the calf must be the cow's most recent natural calf, and the calf must be registered by show day and have proof of registration at check in.

Only one person at a time shall lead an animal into the show ring.
